This has been an exciting year:  
Making Poverty History March,  
G 8 Meeting – Edinburgh.  
Pauline and Betsy represented  
BURY AFRICAN OUTREACH.

They joined a huge human chain  
around the city of Edinburgh on Saturday July 7th 2005.  
It was totally peaceful. There was 1 minute silence at 3pm.

Bury African Outreach supports  
45 orphaned and needy children  
in Uganda.

In November 2005 -Betsy went  
to Tororo to visit the children.

She had a joyful lunch party with  
the children and their guardians.  
These children now have shoes  
thanks to people's generosity.
